Online access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order is available through GSA Advantage, an internet menu-driven database system. The internet address for GSA Advantage is: <http://www.gsa.gov>.

June 2004

### **How to Order**

Ordering ATS's Services under the GSA IT Schedule is easy. Just follow the four steps below and we can start providing IT solutions to you within weeks.

**Step 1. Prepare a Request for Quotation (RFQ)** including a performance-based Statement of Work (SOW), the estimated period and place of performance, deliverable schedule, and acceptance criteria. Standard Form 1449 (or your agency's approved form) may be used to transmit the RFQ. The RFQ should request a time and materials ceiling price or a firm-fixed price and should define the basis you will use to select your contractor.

**Step 2. Transmit the RFQ** to SDC and two other contractors if you estimate the order will exceed \$2,500 (the micro-purchase threshold). You may e-mail the RFQ directly to SDC at [gcarpenter@sdchsv.com](mailto:gcarpenter@sdchsv.com). For orders exceeding \$500,000, the RFQ should be provided to additional GSA IT Schedule contractors.

**Step 3. Evaluate the Quotations** and select SDC if SDC is the "Best Value" to the government.

**Step 4. Email the Order** to [gcarpenter@sdchsv.com](mailto:gcarpenter@sdchsv.com). You may place the Order by attaching the SOW to your agency's approved order form.

### **Points of Contact**

Point of Contact: Gilliam Carpenter
